Cool styles for warm May days.

what we're all about

HomePortfolio presents an **impenetrable editorial selection** of the world's
best home design products, coupled with electronic brochures created for
paying manufacturers. It offers a broad selection of products, informative
content, easy-to-use search capabilities, and personalized tools for saving
products and saving or sharing favorites. By combining product information
in new ways and offering it for free over the Web, HomePortfolio offers
time-strapped consumers a dramatically more convenient way to shop for
premium home design products.
